

Florida Medicaid Health Care Alert

February 16, 2022

Provider Type(s): ALL Revised PML Tip Sheet

Beginning March 1, 2022, an enhancement will be applied to the NPI Mapping Logic which will affect providers and health plans who submit claims and/or encounters to Florida Medicaid.

An updated Provider Master List tip sheet is now available on the Managed Care Support section of the Florida Medicaid public Web Portal that details the changes. Health plans are encouraged to review the tip sheet to understand how the enhancement will affect their encounter submissions.

Health plans can stay connected by visiting the Florida Medicaid public Web Portal often for the most up-to-date information on these changes. For additional assistance, please contact the Health Plan Support team by emailing healthplan.support@gainwelltechnologies.com.

Thank you.
