  - New POC/evaluation must be signed by the treating Therapist;
  - Expired POC from the certification period that just ended must be signed by the treating Therapist and referring provider (physician/ARNP/P.A.).
2. A completed ATA-FL Intake Form (N/A to Providers using the Provider Web Portal) including 3 attestations

4. Standardized Assessment Scores clearly denoted

**CRITICALLY IMPORTANT:** If any of the above elements are missing, ATA-FL will not be able to approve the authorization request. Based on ATA-FL delegated responsibilities, the case will be referred to the health plan with recommendation for denial.

Failure to provide all required documentation could result in the delay of treatment of your patient. Retrospective requests will not be authorized.

### OUTCOMES OF PEER TO PEER:

- A. Approved - If after Peer to Peer, clinician agrees with Plan of Care, authorization is provided.
- B. Provider agrees to withdraw current request and resubmit with documentation to support medical necessity.
- C. Provider chooses NOT to withdraw the current request.
  - Provider refuses to accept the level issued. Case is referred to the Medical Director. If the Medical Director is in agreement with the clinician, and based on ATA-FL delegated responsibilities, the case will be referred to the health plan with recommendation for denial.

### PROVIDER NOTIFICATION OF AUTHORIZATION:

- Via the Provider Web Portal at [ataflorida.com/hs1portal](https://ataflorida.com/hs1portal)
- In addition, ATA-FL will fax the treating provider an authorization indicating the Level and the authorization period.
- Expedited/Urgent requests are completed within 24 hours for Medicaid members.
- Authorization requests received without the 4 Critical Elements will be referred to the health plan with recommendation for denial.

An expedited/urgent request is only warranted when applying the standard time (7 days) for making a determination could seriously jeopardize the enrollee's health, life, or ability to regain maximum function.

### REQUEST FOR AN UPGRADE OF AN EXISTING AUTHORIZATION:

- ATA-FL will only issue authorizations for upgrades when a change in diagnosis or a change in test scores is submitted. (In rare clinical circumstances upgrades may be authorized without a change in either diagnosis or test scores.)

- Upgrades will not be authorized retrospectively (after the treatment period).
- The provider must submit the Upgrade request via fax to ATA-FL at 877-583-6440.
- The Upgrade Request must include the following:
  - The completed ATA-FL Upgrade Request Form
  - New POC, signed/dated by the referring provider (physician/ARNP/P.A.), in addition to the original Plan of Care.
  - Change in Standardized Test Scores or
  - Change in Medical Diagnosis
  - Progress notes/daily notes from the last 3 visits
  - Documented patient progress in metrics/quantitative data
  - List the all of rendered DOS on the Upgrade Request Form

#### **REVIEW PROCESS FOR AN UPGRADE REQUEST:**

ATA-FL will submit the Upgrade request to a clinician (a licensed therapist in the same discipline) for review.

- A.** If Approved:
  - ATA-FL will modify the existing authorization to a higher level.
  - The provider will receive the authorization via facsimile with the Certification Number referencing the higher level.
- B.** If Not Approved:
  - If medical necessity is not established based on the information received, a peer-to-peer consultation with a clinician is offered to the treating provider.
  - If after the peer-to-peer, a decision cannot be agreed upon, the request for an upgrade will be submitted to the Medical Director for review.

If the Medical Director is in agreement with the clinician, based on ATA-FL delegated responsibilities, the case will be referred to the health plan with recommendation for denial.

#### **REQUESTING A NEW AUTHORIZATION AFTER THE AUTHORIZATION PERIOD HAS ENDED:**

If a member requires further therapy after the authorization period has expired, the provider may request another authorization, following the steps below:

- A.** Perform a re-evaluation of the patient to create a new POC with treating Therapist signature.
  - New POC/evaluation must be signed by the treating Therapist.
  - Expired POC from the certification period that just ended must be signed by the treating Therapist and referring provider (physician/ARNP/P.A.).

- B.** Request an authorization via the Provider Web Portal at [ataflorida.com/hs1portal](http://ataflorida.com/hs1portal) or via fax to ATA-FL at 1-855-410-0121.
- C.** Submit the 4 Critical Elements as stated on page 3 including the re-evaluation and the following 5th item
- D.** Documented patient progress in metrics/quantitative data in the form of a progress report, which demonstrates the patient's progress to date. The Report must include comprehensive quantitative data regarding ALL goals targeted for the previous authorization period as established in the POC.

Upon receipt of the information listed above, ATA-FL will review the submitted documentation. ATA-FL will issue a new authorization as indicated and a new authorization period begins.

#### **REQUESTING AUTHORIZATIONS FOR MULTIPLE THERAPY DISCIPLINES:**

If a patient requires treatment for more than one type of therapy during the same treatment period, such as both Occupational and Speech Therapy, follow the steps outlined below:

1. Request two separate authorizations via the Provider Web Portal at [ataflorida.com/hs1portal/](http://ataflorida.com/hs1portal/) or via fax to ATA-FL at 1-855-410-0121.
2. All documentation requirements, including the 4 Critical Elements must be included for each discipline with each request.
3. All requests of this kind, for more than one therapy discipline, will be submitted to Clinicians for the review of medical necessity.

ATA-FL does not issue a separate episode level for symptoms or conditions associated with the main diagnosis. For example, for a therapy request for Status Post Total Knee Replacement, ATA-FL assigns a level according to date of surgery. Concurrent requests for pain, including back pain, gait, instability, muscle weakness, etc.; would be considered related to the main diagnosis, and ATA-FL will not issue a separate level.

#### **REQUESTING AUTHORIZATIONS FOR CUSTOM HAND SPLINTS:**

All treating providers MUST submit the Patient Splint Form. The form is located on the ATA-FL website [www.ataflorida.com](http://www.ataflorida.com) under provider resources. Providers must submit the form via fax to ATA-FL at 1-855-410-0121. Upon receipt of the authorization request an ATA-FL clinician will review the request and issue a Level.

# Claims

## **CLAIMS PAYMENT ADJUSTMENT:**

All Medicaid and Medicare providers of ATA-FL have 365 days from the date of the EOP/EOB to request an adjustment for a processed claim. However, ATA-FL reserves the right to consider all requests received after the 365 days has expired. For your convenience you may call a Claims representative at 1-877-372-1273 to inquire about your processed claims and/or to request a claims adjustment.

## **CLAIM SUBMISSION:**

The preferred method of claims submission is through our Web Portal. Providers may use the HN1/HS1Web Portal ([www.healthsystemone.com](http://www.healthsystemone.com)) to submit claims. The Web Portal provides your office the ability to check status of your submitted claims 24/7 regardless of the method of submission (paper, electronic, Web Portal entry). If you wish to sign up, please visit [ataflorida.com/pwp](http://ataflorida.com/pwp) to register for an account.

If your office prefers to submit claims electronically, please be advised that we are now receiving claims through our vendor Emdeon a.k.a Change Healthcare. Our Payer ID is 65062 for professional claims and 12k89 for institutional claims. It will be necessary for a provider to submit their electronic claim encounters to ATA-FL via this Payer ID. Emdeon will notify the providers if their electronic claims were accepted or if claims were rejected. Providers may contact Emdeon directly for submittal details.

As a Provider if you still prefer to submit via paper, please send CMS 1500 forms or other approved billing forms (i.e. UB-92) to:

**American Therapy Administrators of Florida**  
Claims Processing Center  
P.O. Box 350590  
Ft. Lauderdale, FL 33335-0590

For status of claims, please call Claims Customer Services at 877-372-1273. Please listen carefully to the voice prompts.

## **DO NOT SEND ANY CLAIMS TO THE HEALTH PLAN:**

Payments inadvertently made to the Provider's practice by the health plan for members assigned to ATA-FL are overpayments and have to be returned to them. Services

are reimbursed as described in Attachment A and/ or the applicable Health Plan Addendum of your contract. Case rate payments cover all services provided over a period of time and, therefore, will cover multiple dates of service. However, it is still necessary for a claim to be submitted for each date of service for a patient. Submittal of all claims allows ATA-FL to meet data reporting responsibilities to the health plan and regulatory entities, enables ATA-FL to give the Provider accurate reports and profiles and provides ATA-FL with information we need for internal monitoring and review.

Please note that failure to submit all claims data may also impact a provider's compensation under their ATA-FL agreement and is grounds for cause termination under the Agreement. To meet timely filing requirements, claims submitted for payment must be received within 3 months of the date of service. The allowable amount will be reduced by 50%, as noted in your contract, for claims received more than 3 months but less than six months from the date of service. Payment for all other claims received beyond 6 months from the date of service shall be deemed waived.

## **TIMING OF CLAIMS PAYMENT:**

Our Claims Department processes claims as they are received. ATA- FL strictly adheres to state and federal claims processing guidelines for Medicaid and Medicare lines of business.

## **PROVIDER CLAIM COMPLAINT:**

HN1 processes provider complaints concerning claims issues in accordance with s. 641.3155, F.S. HN1 allow providers ninety (90) days from the date of final determination of the primary payer to file a written complaint for claims issues. In accordance with s. 641.3155, F.S., HN1 resolves all claims complaints within sixty (60) days of receipt and provide written notice of the disposition and the basis of the resolution to the provider within three (3) business days of resolution.
